## FREELANCE DESIGN PROFESSIONAL

*Over 10 years of experience with Adobe Photoshop. Recognized for work quality, organization, and attention to detail. Adept at bringing designs to web, print, physical templates, and embroidery. Excellent interpersonal and communication skills with the ability to interface between technical and non-technical groups.*

## KEY COMPETENCIES / STRENGTHS

| | | |
|---|---|---|
| *Adobe Photoshop* | *Vector Graphics* | *Pattern/Template Design* |
| *Good Team Player* | *Logo Design* | *Digital Photography* |
| *3D Modeling/Visualization* | *Web and UI Design* | *Machine Embroidery Design* |

## HIGHLIGHTS & ACHIEVEMENTS

► Designed and developed patterns and templates for physical usage and retail with finalized files in Adobe Acrobat PDF and Silhouette Studio Document file formats.
► Designed logo and WordPress Theme for Historic Old Town Royse City Merchants Association.
► Developed a method to machine embroidery over clear vinyl and polyester fabric for LED illumination.
► Contracted use of one of my digital photos to Insomniac Design Inc. for use on their website's home page.
► Designed flier for print for a small congregation at half the cost of a previous designer.

## PROFESSIONAL EXPERIENCE

**Self-Employed**                    **Royse City, TX**                    **2012-Present**
*Commission based graphic designer, artisan, web designer, 3D modeling, appliance/computer repair*
***Freelancer***
As a freelancer, I have continually taught myself a variety of skill sets and software, develop preferred methods and workflow, and maintain quality and attention to detail regardless of field.

• Design, develop, and test patterns and templates for in-house usage and sale
• Photograph and process images for marketing, publications, and listings
• Design logos and fliers for print
• Generate and issue estimates for potential customers
• Ensure customer satisfaction
